

GUIDELINES FOR ORAL PRESENTATIONS IN PLATFORM SESSIONS

- 1) Presentations must be given in English, the official language of the congress. No translation will be available.
- 2) The assigned time for each platform presentation is 12 minutes, followed by questions and answers for up to 3 minutes. Please be certain that the length of the oral presentation remains within the allotted time, as session chairs will be instructed to terminate presentations which exceed their time allotment.
- 3) Presentations should be planned carefully and each phase of the lecture should be co-ordinated to match the PowerPoint presentation.
- 4) Remember, the 3 rules of effective presentation are:
 - I. Introduce your topic and inform your audience about what you intend to speak
 - II. Deliver your talk, including the methods, results and conclusions
 - III. Summarise the most important points of your lecture for the audience
- 5) On arrival at the congress venue, please go to the Speakers' Room to check in and save your presentation on the network. We recommend that you go to the Speakers' Room the day before your presentation. Please note that all presentations must be placed on the network at least 3 hours before the session.
- 6) Format and saving method for PowerPoint documents:
 - Only MS-PowerPoint (*.ppt) presentations with video formats will be accepted.
 - Please verify that the size of your slides is adapted to projection ratio of 16:9.
 - Please save fonts used in your document.
 - If your presentation uses digital video file (files .mpg or .avi), check that they are saved in the same directory as your PowerPoint file and adapt the link if necessary.
- 7) Media to use to provide your presentation:
 - Please bring a USB memory stick (flash drive) for PC.
 - If you wish to compress your files, use Winzip.
 - We strongly recommend that you bring a copy of your presentation on a USB memory stick (flash drive), even if your presentation exists on your laptop.
- 9) The use of your files:
 - Your original media used in the Speakers' Room are immediately returned to you.
 - A single file with your presentation is created on the server; no copy is made except for technical back-ups.
- 10) Please make sure that you arrive in the session room at least 10 minutes before the start of the session in order to meet the Co-chairs.

If you have any questions on your platform presentation, please contact abstracts@epilepsycongress.org
